

# Titchmarsh Church of England Primary School

## Eco Action Team Meeting

### Minutes for meeting on Thursday 18<sup>th</sup> June 2009

All members were present, except for Danny who was absent from school today.

Mrs Stopps welcomed Mr Lea, Chair of School Governors, to the meeting.

Visit to the EcoHouse in Leicester on Thursday 25<sup>th</sup> June. The Team discussed details of the trip and it was decided that members of the team would take photos for a display in school afterwards, to go on our eco notice board.

*Generation Green:* After discussion, it was finally decided that we will "purchase" a camera nest box, bike rack, mini wind turbine, and wormery. Mrs Gambrell will order today and hopefully the rewards for gaining so many leaves will be with us before the end of term. We can now continue to collect leaves towards further rewards in the future.

*Mobile phones* - Mrs Gambrell has gained £79 for our Eco Funds due to recycling the mobile phones collected. A fantastic achievement! Mrs Stopps and the team thanked Mrs Gambrell for her continued hard work and support in eco initiatives.

*Next Eco Fundraiser:* It was agreed that the new date for our Nearly New School Uniform Sale will be Tuesday 7<sup>th</sup> July at

3.30pm in the playground. Fresh vegetables from the school garden and home made cakes will also be on sale.

Hedgehog home - Daniel will find our recently acquired hedgehog home a suitable location after the meeting, and Millie and Madeline will replenish the bird feeders. Thanks went to Mrs Gambrell for the extra feed she had brought into school today. Millie and Madeline will replenish the bird bath with fresh water.

Morrison's vouchers: After discussion, it was decided to continue collecting these vouchers so that more rewards can be gained! (Mrs Stopps will check on the weather stations given to Mrs Chappelow)

Meter Readings will take place as usual at the end of the month and be displayed on the Eco board.

Bottle tops for the Air Ambulance: Mr Lee mentioned that every time the Air Ambulance is used it costs £895, so it is excellent that we are making so much money to support this life- saving work.

Mrs Stopps thanked Mr Lee for attending the meeting and for his friendly manner and valuable contributions. Mr Lee thanked the Eco Team for inviting him to the meeting.

Date of the last meeting for this term will be on Thursday 18<sup>th</sup> July at 10.30am
