

Titchmarsh Church of England School

School Council Minutes

20th November 2009

12.05pm

1. Welcome all members to the school council 2009-2010.

Miss Young welcomed all the members of the new school council for 2009-2010.

Apologies were given by Mrs Hazell for not attending.

School council members all introduced themselves to each other.

2. Working towards our Silver award.

School Council Policy

Miss Young brought to the council's attention that to earn our silver award as a school council we would need to create a school policy, which would need to be created by our school council. Miss Young had prepared a template of the policy for the school council and the council decided what should go into our policy. Miss Young is to type the policy on the computer to present to the council at the next meeting for approval and signatures.

3. Jobs within the school council.

The need for jobs within the school council was also brought to the council's attention. The council must have a Chair Person, Treasurer and Secretary which must be undertaken by council members rather than teaching staff as in previous years. Miss Young suggested that the people who are running for the Secretary and Treasurer need be very able in either literacy or numeracy depending on which job they would like to do. The council decided that they should vote for the people who would like to take on these jobs. The members must decide if they would like to take on a role and then inform Miss Young before our next meeting. The council will then vote at the next meeting to decide who will become our Chair person, Treasurer and Secretary.

4. Dr Wallace will be coming to meet the School council on Thursday 26th November

5. A.O.B

Some ideas have already been flowing for what we can do to raise money for our school.

These are the ideas so far:

- Sponsored sports activities (It was decided that this might be a good activity during the summer months.)
- Cake stalls after school
- Crazy hair day
