

ECO NEWSLETTER

Welcome to our new members

Danny & Madeline Y4

Daniel & Millie Y3

Hollie & Caitlin Y2

Tianna & Phoebe Y1

Thank you to our previous members for all their hard work.

Events

We had a clothes sale back in the summer and we raised £48. Recently we had a nearly new toys & games sale at which we raised £60. Thank you to everyone who supported these events. With the money raised we are hoping to buy some picnic benches for the school.

Generation Green

We are up to 2,787 leaves so far. We have a long way to go as our target is 7,746! If you haven't already filled in a home efficiency report then please do. It only takes a few minutes and it's really easy. All you have to do is visit www.generationgreen.co.uk and follow the instructions. Don't forget to tell all your family and friends too! We could

win a solar panel for school and we get to exchange our leaves for eco items as well.

Compost

The compost bin is going really well. Thank you to everyone who has contributed to the bin! The bin is getting quite full now. I'll see if we can get another one for free from the council. Then we can leave this one to rot down.

Landfills are filling up fast and you can do your bit to help by starting to use a compost bin. Composting provides a way not only of reducing the amount of waste that needs to be disposed of, but also of converting it into a product that is useful for gardening. So go and buy your compost bin now!

Eco Tips

If you have a digital display on your microwave or cooker turn them off at the plug when not in use, if you use the clock on them, get a wall clock! Don't forget to turn all other electrical appliances off too.

We hope by now you are all using energy efficient light bulbs!

Don't forget to take your shopping bags with you when you're out Christmas shopping!

We hope you're all using the 3 R's Reduce, Recycle & Reuse.

Keep bringing in all your bottle tops. Don't forget to save them up over the Christmas holiday.
