🦉 Birthday hour- Time to play in Owlets play area.

🦉 Do a presentation to class or bring a pet to school rota

JM will discuss the above items with staff at the next staff meeting and will report back to School Council

5. House badges

As promised, JM has researched this suggestion from the last meeting and has found a very reasonable priced website which would make special badges for us, using the house names and colours. There was a choice of shield or bar badges. SC chose shield, which is similar to School Council badges. It was decided to charge £2.75 each which would cover costs. JM will now ask Mrs Davies to order.

6. Lunchtime rules

SC reviewed the Playground rules which were written by the School Council in 2006. Apart from slight changes in wording, it will remain the same. SC suggested some signs in the playground. SC decided notices should be in words and pictures. Will be an agenda item.

7. Fundraising date and event

It was decided to have a day where all children come dressed up differently. Katie didn't want to do Crazy hair again as it has already been done. However all were very enthusiastic to come in pyjamas and have a "Jimjam" day.

JM will look into the most appropriate day, possibly last day of this half term, 13th February.

8. Fundraising appeal

All proceeds will go towards the playground benches which ECO Action Team are raising funds for.

Mrs Webber raised £75 by organising the Yellow Moon. The money was donated to School Council who have generously given the money to the ECO Action team for the playground benches.

9. A.O.B:

School Sports kit. FOTS have generously agreed to buy the school a sports kit for when we participate in sporting events outside of school. JM asked SC to choose their favourite font for the writing on the shirt. This they did very carefully.

Meeting ended 12.30pm
