

## School Council Minutes

12/03/2010

- Welcome Dr Wallace

James welcomed Dr Wallace to the meeting and all members said hello.

All present at the meeting.

- Quiz (What information needs to go on the letter to be sent home?)

We discussed the information that needed to appear on the letter home to pupils explaining the school Quiz. We have decided that the money will go to the earthquake appeal in Chile.

We agreed that the letter needs to say

- what the money will go towards
- How much it costs to enter
- What the prize will be
- How to enter and when to enter by
- Who to go to if they don't know what to do

Sophie will be meeting up with Miss Young to write the letter.

- Poster campaign

School council were reminded about the poster campaign and have been asked to each create a poster reminding children to label their belongings. Posters to be brought to Miss Young to be laminated ready to be displayed around school.

- Titchmarsh's Got Talent (sending and invitation to the Governors to invite someone to become a judge on our panel.) (What will they need to do?)

The council explained to Dr Wallace what our concept of Titchmarsh's got talent is to allow him to go back to the governors and explain what we are trying to do. Dr Wallace thought that it was a lovely idea and that everyone would be able to join in.

The council agreed on what we needed to tell the governors in our letter.

- Date of the event
- Time of the event
- What their role would be

- Suggestion Box (is the box working? Can we think of any other ways of getting the schools suggestions to the council?)

The councillors all agreed that the suggestion box doesn't seem to be working so they came up with ideas for ways of getting the pupils suggestions to the council.

It was agreed that we need to talk to the other children. We have decided to have a time in the morning to talk to our class representatives and give any suggestions to them these will then be noted down and placed in the suggestion box ready for the next meeting.

- AOB

The Year 3 and 4 councillors are concerned with the situation occurring in their classroom when children go to get their coats. They are finding that there is a lot of pushing and shoving going on and children are getting hurt.

They have suggested that they should be asked to collect their belongings table by table instead of all together. This idea is to be passed on the staff members who teach this class. James also suggested that we speak to Mrs Milton to check that this matter has been addressed in the building plans for the school.
