School Council Meeting

Minutes

18th December 2008

- **Present:**

JM and all School Councillors

- **Apologies:**

None

- **Minutes from last meeting:**

Everybody was happy with the minutes from the last meeting

- **Matters Arising:**

JM gave SC house points for bringing folders and wearing badges

- **Suggestion Box:**

AR suggested doing a mini circus by dressing up as clowns and entertaining the school. However KC said she was scared of clowns. Therefore it was decided to have a circus themed day later in the year as a charity event.

AH-C suggested a special all day party. JM said that would be great to do on a Saturday! It was discussed further and SC thought it would be nice if children had a birthday hour when they could have free time. Ideas included using the play equipment with supervision and playing with the Owlets. JM asked SC to bring further ideas to next meeting.

Daisy and Molly asked that children are not hurt at lunchtime. AH-C suggested putting the rules we have

written in the playground, on the classroom wall. It was also decided to review lunchtime policy.

KC would like to reintroduce table picking using a sorting hat. JM thought it was a great idea and would be discussed in class.

EB would like a cinema trip. SC thought this was a great idea. EB & JM to explore possible films for KS1 & KS2.

JE would like School Team badges. Everybody thought this was a great idea. It was decided to charge children for badges as it could become costly if children lose them. JM to investigate further.

- **Fundraising activities**

JE - Balloon races with helium balloons. This is a great idea. But we need to look into the environmental problems this could cause to wildlife and cattle.

JE - Silly Sunglasses. Everybody thought this would be a great idea in the summer term.

EB - When it snows we could have a best snowman competition. All agreed

AR - Sports Fun afternoon in the summer term. All agreed

SC decided to raise money for Great Ormond Street Children's Hospital and outside shade.

AH-C suggested a bouncy castle. However JM reluctantly said no due to health and safety.
