

Titchmarsh Church of England Primary School

School Council Meeting

MINUTES

Thursday 5th March 2009

- Present:

James E, Alice H-C, Victoria, Katie, Alice R, Maddie, Harriet, Anya, Juliette, Ellis, James H

- Welcome:

Mrs Milton and the rest of the pupils welcomed Ellis as the newest member of the school council.

- Apologies:

None

- Minutes from last meeting:

We will be discussing playground signs as part of the agenda.

- Suggestion Box:

AH-C suggested an ECO Balloon Race. We could sell helium balloons, label them and store them in a net from our highest ceiling (probably the hall) and have a balloon dropping competition. The last balloon to drop is the winner. Thus no balloons go outside causing an environmental issue. It was decided to discuss this at the next meeting.

AW asked for mirrors in the toilet. **JM** to calculate cost and bring back information to next meeting.

EC would like a step in the toilets so that Owlets who can not reach the soap and paper towels can stand on one.

- Signs for Playground:

SC volunteered to illustrate signs for the playground and to bring back to next meeting for Mrs Milton to laminate.

- Housebadges

We have sold 59 house badges so far. Children need to be careful with the badges as they can not be replaced for free if they are broken after 28 days.

- Manifestoes

At the next meeting we will be looking at **SC**'s manifestoes to decide our next project and to discuss suggestions.

- A.O.B:

None.
