- Minutes from last meeting:

Sports kits: Mrs Milton thanked School Council for their input choosing the best font for the new sports kit. She then showed them one of the new shirts.

- Suggestion Box:

There were no suggestions in the suggestion box.

AW & AH-C suggested beanbags for pupils in the classroom. It was decided that one each maybe too much due to space. However JM informed SC that we would soon be updating the furniture in the classrooms and we could purchase a few.

- House badges

The house badges have been a great success. What a brilliant idea! Well done! We have sold lots of them. Over half the children in the school have one and orders are still coming in.

- Signs for Playground

It was agreed at the last meeting to make signs in the playground an agenda item for this meeting. The following signs were agreed; i) Quiet Playground (KC) ii) Equipment Playground iii) Stop iv) Play nicely v) No football vi) No snatching

- Fundraising date and event

Due to the cold weather and the other fundraising events taking place at the moment, it was agreed to postpone Pyjama Day.
