

### Academic Year 2022 / 2023

## Liturgical Calendar for Church of England Schools

### The Anglican Calendar

The liturgical calendar indicates the festivals and seasons of the Anglican Church. This calendar runs for the academic year. It shows the major festivals and saints' days. The festivals for some notable saints for our region are also included (*marked with \**). You can click on each item to find out more about it.

### Liturgical Colours

The liturgical colours for each festival and season are shown.

#### <u>Seasons</u>

The Christian Year is made up of seasons. The year starts in early winter with the season of Advent, building towards the celebration of Christmas. After Christmas comes the season of Epiphany. This is followed by a period of 'Ordinary Time',

the name for parts of the year which are in no particular season. From Ash Wednesday, we are in the season of Lent, preparing Christians for their most important feast of Easter. The season of Easter actually lasts for seven weeks, up to the celebration of Pentecost. Following this is a long period of Ordinary Time. This can be broken up with a season called Creationtide in early autumn.

For more try: <u>https://christianity.org.uk/article/seasons-in-the-church</u>

#### New Layout

The calendar has a new layout to help track your journey through the Christian liturgical year.

### World Faiths other than Christianity

In addition, on the final page, you will find a table with some key festivals of world religions other than Christianity. Again you can find out more about each item by clicking on it.
