

## Collective Worship and Events Calendar 2023-24

Collective Worship takes place every day. Each week there is a theme which aims to link our Christian Values with Bible stories and other aspects of the Christian tradition. Other events, Key People and World Religions are also part of Collective Worship. At the start of Collective Worship, we have entry and exit music by significant composers ranging from historical greats to those from today. This helps us to be still, quiet, and ready to be reflective for Collective Worship.

**Monday** – Class Collective Worship led by the class teacher and sometimes by the children. The new Christian Value of the week is introduced, and The Big Question linked to the Christian Value is reflected upon and discussed. The class based Collective Worship closes with the Christian Value prayer for that week, which have been written by the children.

**Tuesday** – Wellbeing and Singing collective Worship is led by Ms. Mitchell. Singing is an important part of collective worship, and this is a chance to learn new songs and revisit familiar ones, to reflect together on the way that we praise God in worship, and to understand better the words we are singing. The Well-being topics provide support for our pupils in dealing with worries and anxiety and the opportunity to reflect upon The British Values.

**Wednesday** – Cultural Collective Worship led by Mrs. Parsons. Our Cultural Worship focuses on key people, cultural events, days, or other religious festivals.

**Thursday**- Collective Worship led by Mrs. Moulam or Rev. Annabel. Clergy led Collective Worship is held fortnightly at either St. Mary's Church in the village or in the school hall. This is linked to the Christian Value of the week and children always take an active role for example reading, drama etc...

**Friday** – Celebration Assembly led by Ms. G. A celebration of what's been achieved in school such as an announcement of the house point totals for the week; A chance to celebrate and share the acts of those children who have been awarded a Christian values certificate or a merit certificate etc. We also use this time to celebrate achievements that pupils have achieved outside of school e.g., swimming certificates presented. The Friday Collective Worship always ends with the school prayer led the children, as a way of sending the children and adults out into the world to live out the values that they live by in school.

## New for 2023/24
