Part A: Pupil premium Strategy Plan

Statement of intent

The Unity vision states a clear intent of the curriculum it provides through the vision statement that includes its intentions as to what pupils leaving Titchmarsh and Warmington will have and be. The Unity is ambitious for all its pupils and encompasses an enrichment approach focusing on enabling pupils to develop the necessary aspects of cultural capital so they can become positive contributors to society, be well-prepared for the next phase of their education and lead fulfilled lives to the greatest extent in the future.

Our intent is for all disadvantaged pupils to be able to access this vision, flourish as full members of our school community and to identify and remove any barriers to achievement for these pupils and their families.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Attendance is an issue for a small number of pupils
2	Confidence and resilience can affect pupil progress
3	Support at home can sometimes be less focused or consistent

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<i>To ensure disadvantaged attendance is at least in line with whole school attendance</i>	Attendance is in line with whole school attendance which will be above national average. Any instances of persistent absence are identified and supported.
To ensure that pupil attainment and progress is at least in line with whole school outcomes	All pupils will be closely tracked and disadvantaged progress will be monitored as part of whole school scrutiny process. All pupils will make at least expected progress and pupils will be identified and supported to

	make more than expected progress (6+ steps for each subject each year)
To ensure that disadvantaged pupil participation is at least in line with whole school levels	Disadvantaged pupils will participate in sports events, trips and residential to the same level as all pupil groups. No pupil should miss out on any visit or opportunity.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 650

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>CPD</i>	Send staff on training that will benefit the quality of teaching, learning and support	This will directly support all pupils and the disadvantaged pupils.
<i>NMPAT Brass Project</i>	All pupils will have an entitlement, irrespective of background, to learning a musical instrument	19 pupils in LKS2 (including 5 disadvantaged/service children)

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 2160

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>TA costs</i>	Quality first teaching will be supported by high quality teaching assistant support in lessons. Additionally, each afternoon TAs are able to provide tutoring and interventions to ensure that all gaps are instantly closed.	All pupils.

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 500

Activity	Evidence that supports this approach	Challenge number(s) addressed
----------	--------------------------------------	-------------------------------

<i>PP Offer</i>	All disadvantaged pupils are entitled to financial support with uniform, trips and musical tuition so that they are able to participate in all school activities and are not prohibited from joining us. Past evidence shows high levels of attendance and confidence for these pupils.	6
<i>Wraparound Care</i>	Where required, pupils are entitled to a number of wraparound care sessions to help build friendships with peers and to provide social activities.	6

Total budgeted cost: £ 3310

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Ensure that PP attendance is at least 95% or above (in line with whole school)
Disadvantaged attendance for 2020-2021 was 93.4% so slightly below the whole school figure of 94.6%. This, however, is in a lockdown year where bubbles had to be closed on two occasions.
Ensure that Reading and Writing attainment is at least at national levels for PP pupils at KS1 and KS2.
86% of disadvantaged pupils made expected progress in Reading and Writing in 2020-2021 with 72% making more than expected progress in Reading and 86% in Writing (based on Target Tracker data)
Ensure that Maths attainment is at least at national levels for PP pupils at KS1 and KS2.
86% of disadvantaged pupils made expected progress in Maths in 2020-2021 with 72% making more than expected progress. (based on Target Tracker data)
Ensure that the Unity 'PP Offer' is in place
Pupils were able to access PP funding for uniform, wraparound care and music tuition. Visits did not take place due to the pandemic so the usual residential entitlement was not available this year.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England
