

RWI Phonics Workshop

Tuesday 11th October 2022

The more that you **read**, the more things you will **know**. The more that you **learn**, the more **places you'll go!**

Dr. Seuss

What is Phonics?

All words are made up of individual **sounds**.
These sounds are merged together to form words.

e.g. in 'mat' we have the sounds 'm', 'a', 't',
ship – 'sh', 'i', 'p'.

Click A grapheme is another name for the letters we use to write the sound.

The English language is a complex code...

- We have 26 letters, 44 sounds and 150+ ways of writing those sounds!!
- It is the most difficult language to crack!
- We need to make sure our children learn these sounds quickly and that they are embedded.
- The best way to do that is have fun learning, but also repeat, practise and repeat again and again and again!

The English language is a complex code...

It would be easy if we only had to learn Set 1 and Set 2 sounds.

Teaching letter formation

Handwriting phrases for helping your child to form letters

This works best if your child practises for a short time every day.

1. Show the picture side and air-write as you say the phrase.
2. Ask your child to practise in the air with you.
3. Using a sharp pencil and sat at a table, encourage your child to have a go.
4. Praise your child for their efforts.

- m Maisie, mountain, mountain
a round the apple, down the leaf
s slither down the snake
d round his bottom, up his tall neck and down to his feet
t down the tower, across the tower
i down the body, dot for the head
n down Nobby, over his net
p down the plait and over the pirate's face
g round her face, down her hair and give her a curl

What can I do?

1. Use pure sounds, not letter names
2. Teach the picture names
3. Practise reading sounds speedily -
'review, review, review'
4. Use the handwriting phrases for writing only

Sounds + blending = reading

4. Ask your child to repeat
